2026 Topic

In the last few years, we have become increasingly aware of external, global pressures that could impact our day to day lives. Between outbreaks of conflict, economic pressure, and public health crises, aspirations for the future can feel out of reach for many people, especially in the current global society. Even though some aspirations may feel out of reach, education is one of the most direct ways to achieve your dreams even during times of global unrest. In considering that global circumstances may impact your future in ways outside of your control. In a minimum of 500 words, please answer the following prompt:

In your own words, why is it even more important now, in the wake of extreme global shifts to pursue your goals and ambitions as a means of embracing the “live for today” motto? How are you, despite recent personal or global changes, motivated and inspired to live each day to the fullest regarding your career path?

This essay is **required** and will be graded during the selection process. The top 10% of essays will be selected for inclusion in the lottery in which two winners will be chosen. Submissions become the property of BKRI Charitable Organization and will not be returned.

**COMPLETED APPLICATIONS MUST BE RECEIVED BY THE
